Georgia State University
Research and Environmental Safety Contact Information

**Call GSU Police 404-413-3333 for all large/after-hours chemical spills and laboratory emergencies**

Questions may be directed to eprograms@gsu.edu or our Hotline at 404-413-3540

---

**Quintena Tinson, Radiation Safety Officer**  qтинson@gsu.edu  Office: 404-413-3568  Cell: 404-391-1018
Contact for radiation and hazardous waste training, biological and radiation waste information, and spill emergencies.

**Jamar Simmons, Chemical Safety Officer**  jamar@gsu.edu  Office: 404-413-3535  Cell: 404-391-7926
Contact for hazardous chemical waste information, Chematix questions, and spill emergencies.

**Betsy Butler, Senior Biosafety Officer**  bbutler12@gsu.edu  Office: 404-413-3510  Cell: 404-3146732
Contact for biological waste information and spill emergencies.

**Paul Hysell, Sr. Hazardous Materials Specialist**  physell1@gsu.edu  Office: 404-413-3515  Cell: 678-794-2134
Contact for hazardous materials program and universal waste information. Contact for biological waste information and spill emergencies.

**Laura Thomas, Biological Safety Specialist**  lthomas101@gsu.edu  Office: 404-413-3359  Cell: 404-849-8856
Contact for biological waste information and spill emergencies.

**Stephen Johnson, Senior Chemical Safety Specialist**  sjohnson204@gsu.edu  Office: 404-413-3546  Cell: 404-379-2455
Contact for hazardous chemical waste information, pickup requests, spill emergencies, and safety training.

**Reginald Sanders, Research Safety Specialist**  rsanders17@gsu.edu  Office: 404-413-3565  Cell: 404-808-8535
Contact for hazardous chemical waste information, Chematix questions, and spill emergencies.

**Secret Rhynes, Research Safety Specialist**  srhynes@gsu.edu  Office: 404-413-6670  Cell: 404-374-0609
Contact for hazardous chemical waste information, pickup requests, spill emergencies, and safety training for Perimeter Campuses.

Research and Environmental Safety Homepage: [http://ursa.research.gsu.edu/ursa/compliance/environmental-programs](http://ursa.research.gsu.edu/ursa/compliance/environmental-programs)
Contains waste disposal protocols in PDF form, compliance documents, staff contact information, and links to Chematix and Radiologistix.

**Biosafety Information:** [http://ursa.research.gsu.edu/ursa/compliance/biosafety](http://ursa.research.gsu.edu/ursa/compliance/biosafety)
Access the Biosafety Manual and protocol review procedures. DOT approved Biohazard Burn Box should be properly packaged and stored in laboratory space. Submit biohazardous waste to Chematix for pick up before 3:00 pm on Mondays and it will be picked up on Tuesdays between 8:00 am- 4:00pm. Please email biosafety@gsu.edu for biohazardous waste pickups.

**SDS Information:** SDS sheets can be accessed through either Fisher Scientific at [http://www.fishersci.com](http://www.fishersci.com) or Sigma-Aldrich at [http://www.sigmaaldrich.com](http://www.sigmaaldrich.com)

**Chemical Waste Pick Up:** [https://chematix.gsu.edu](https://chematix.gsu.edu) CHEMATIX™
All waste pickups and supply requests should be sent through the Chematix website.

Georgia State University
Research and Environmental Safety Contact Information

Call GSU Police 404-413-3333 for all large/after-hours chemical spills and laboratory emergencies

Should the Chematix system be down, please e-mail eprograms@gsu.edu with your request.

Note: Chemical Waste pickups occur weekly on Thursday and Friday and require a 72-hour notice.

Radiological Waste Pick Up: Please email radiationprotection@gsu.edu for radioactive waste pickups.

IF you are notified of an escaped research animal
PLEASE contact the following:

Step 1 (Research Safety Office)
Quintena Tinson, Acting Associate Director Research Safety Programs
qtinson@gsu.edu Office: 404-413-3568 Cell: 404-391-1018

Step 2 (Contact any DAR staff member listed below)
Dr. Michael Hart Director, Director of Animal Resources, University Veterinarian
mhart@gsu.edu Office: 404-413-3553 Cell: 404-391-7366

Dr. Amelia Wilkes, Clinical Lab Veterinarian
ajones234@gsu.edu Office: 404-413-3636 Cell: 678-923-0970

Dean Blake, Associate Director of Animal Resources
dBlake@gsu.edu Office: 404-413-3359 Cell: 404-472-5954

Michael Morrison, Animal Facility Supervisor
mmorrison8@gsu.edu Cell: 404-857-5072

Matthew Davis, Assistant to the Director
mdavis1978@gsu.edu Office: 404-413-3560 Cell: 404-667-8093

Evan Hutto, Animal Facilities Supervisor
ehutto3@gsu.edu Cell: 404-759-1480
